Bolon Studio™ Deco, Create Fabrico, Silence Illuminate, Artisan Slate, Ivory
The dotted lines shows the direction of the weft yarn. The weft, is the thinner yarn, which is drawn through the warp, the thicker yarn. Depending on the direction of the weft, a different effect can be seen.
Bolon Tiles is a versatile and contemporary flooring concept. By making a selection from a range of tiles and collections, the concept creates room for bespoke interiors.

Your patterns will look completely different depending on the choice of collection, the direction of the weft, and lighting of the space. For all tiles and available collections visit bolon.com
