City/country: Copenhagen, Denmark  
Architect: Danielsen Space Planning  
Collection: Botanic Cilia, Tilia  
Area: 250 m<sup>2</sup>  
Year: 2014

## Spies Travel Agency in Copenhagen, Denmark

Spies Travel Agency started in 1956 and was one of the first agencies in Europe to arrange charter tours to Mallorca. Their new shop and call centre in Copenhagen, Denmark, is a welcoming and warm office space furnished with design furniture. Danielsen Space Planning, the design office behind the renovation, chose Botanic Cilia and Tilia for an area of 250 square meters.
